DIVISION OF PURCHASES

**Pre-Bid Meeting Minutes  
Sportsman's Pit Reclamation Project  
March 13, 2012**

Fred Foshag, Jr., Project Engineer, opened the meeting at 10:00 a.m. He announced that the bids are due in Topeka on April 10, 2012 by 2:00 p.m. The last day for questions will be April 5, 2012 at 5:00 p.m. The meeting minutes of the Pre-bid meeting will be Addendum #1 and be sure to check all addendums on the Form of Bid, Document C.

Fred stated that the Department of Administration, Purchasing Dept. is changing things and bidders and subcontractors are to submit a Tax Clearance form with every bid response. Also, contractors must be invited to bid on a project. To be invited, contractors must register with the State of Kansas and can do so at the following website: [www.da.ks.gov/purch/bidderregistration](http://www.da.ks.gov/purch/bidderregistration) . Please be sure to include the correct code number 70131703 Land Reclamation. Once you are registered, you will receive future notifications of reclamation jobs. This must be done before April 10, 2012 in order to bid this job.

If you received a bid event document with your company's name in the upper right hand corner, you have been invited to this event.

Fred then introduced SMS staff: Marvin Barnaby, staff engineer; Murray Balk, Section Chief; Inspectors Dave Chiappetti and Martin O'Brien and Inspection Supervisor Randy Johnson.

The job entails relocating a series of interior roads away from hazards in the recreational area. This includes some rock fills, culvert pipes and some channels.

**Sportsman's Road  
Pre-Bid Meeting Minutes  
March 13, 2012  
Page 2**

**There is another project working at the same time called the Sportman's Pit Road Project and one of the roads they will be working on will overlap with this project. As the work progresses, there will have to be some coordination between the two projects.**

**There are wetland areas in the project area and so the contractor must stay within the construction limits in order to comply with the Corp of Engineer permits.**

**QUESTION: Is there a concrete boat ramp in the bid items?**

**ANSWER: The boat ramp shows on sheet 22 of the plans and details of the boat ramp is on sheet 28. It is not concrete, just gravel.**

**QUESTION: Neutralization lime, do we use regular ag lime?**

**ANSWER: You can use whatever you want but you must come up with 100% ECC.**

**As there were no more questions, Fred gave directions to the project area and the meeting adjourned to the field.**

**Pre-Bid Meeting Attendees:**

**O'Toole Construction**

**Double S Dirtworks**

**Preston Construction**

**TL Enterprises**

**Mission Construction**

**Dale Brothers**

**JRB Industries**
